## Baseball Factory Youth Skills Challenge

Instruction | Evaluation | Competition

**Saturday, October 18, 6 PM | Baseball Factory Field at UMBC | Baltimore, MD**

**Your son is invited to participate in the Baseball Factory Youth Skills Challenge.** This event will take place under the lights at Baseball Factory Field, home of the UMBC Retrievers. This is a one-day instructional workout for youth baseball players in the Mid-Atlantic region.

Since 1994, Baseball Factory has provided players with the very best in tournament competition, instruction and college planning and placement. Baseball Factory has helped over 20,000 players reach their dream of playing college baseball. In addition, over 2,000 Baseball Factory players have been drafted and 205 have gone on to play in the majors.

**Baseball Factory's alumni list includes: David Wright, Brian Roberts, Mark Teixeira, C.C. Sabathia, Prince Fielder, Josh Hamilton, Ryan Braun, Carlos Quentin, Gavin Floyd, and many others.**

During the Baseball Factory Youth Skills Challenge, your son will take part in a three-hour on-field workout where he will be instructed by the Baseball Factory staff. Our staff includes former college coaches, former professional players and former professional scouts.

The Baseball Factory coaches will provide instruction and put together an unbiased evaluation of your son's ability. As the nation's leader in player development, we see thousands of players each year and we pride ourselves on compiling honest and fair evaluations. Your son will leave the Baseball Factory Youth Skills Challenge with an understanding of his strengths and weaknesses and how to continue improving as a baseball player.

In addition, your son will participate in fun challenges to test his performance of different essential baseball skills. Challenges will include Foot Speed, Arm Strength, Hitting and Pitching. The top challenge performers at the event will be highlighted on [baseballfactory.com](http://baseballfactory.com).

This is your son's chance to see how he stacks up to other youth players locally, in the Mid-Atlantic region, and even nationwide. By working with the Baseball Factory coaches at the Youth Skills Challenge, your son will begin on his path towards high school baseball, college baseball and beyond!

**Brian Roberts**  
Baseball Factory  
Alum, 1993-1995

## Baseball Factory Youth Skills Challenge

Instruction | Evaluation | Competition

Saturday, October 18, 6 PM | Baseball Factory Field at UMBC | Baltimore, MD

### PROFESSIONAL WORKOUT

Players will take part in a three-hour on-field workout. The workout will include training on speed, pitching, hitting, fielding and base running. **This workout will be under the lights at UMBC**, one of the premier college facilities in Maryland. The workout will be on a 90-foot diamond.

### INSTRUCTION

Baseball Factory coaches will include former college coaches, former professional players and former professional scouts. Our staff will work with each player one-on-one and in small group settings.

### EVALUATION FROM A PRO SCOUT

Players will receive a written evaluation from Baseball Factory. This scouting report will identify your son's strengths and weaknesses, suggest areas for improvement and let you know where he rates compared to the average player his age. Baseball Factory is a premier scouting partner for Baseball America, the leading baseball publication in the industry.

### COMPETITION

Your son will participate in fun challenges to test his performance of different essential baseball skills. Challenges will include Foot Speed, Arm Strength, Hitting and Pitching. **The top challenge performers at the event will be highlighted on [baseballfactory.com](http://baseballfactory.com).**

### EXPERIENCE

Baseball Factory has worked with over 20,000 players that have gone on to play college baseball. If your son loves the game of baseball and wants to continue playing at the next level, this workout with the Baseball Factory will provide him with a positive experience for shaping his baseball career.
